Ordering information

How to order

To place your order, please visit rosettefairtrade.com and shop as usual. If you have any questions or concerns, please email us and we'll be happy to help: info@rosettenetwork.com.

Shipping deadline

Please note that the holiday season makes shipping less predictable, simply due to the volume of parcels in the mail system. As a result, we can only guarantee delivery by Christmas for orders that are received by day's end on **December 3, 2021** (using regular shipping). Late orders will, of course, be fulfilled (stock permitting) as quickly as possible, but may not arrive in time for your holiday celebrations if they take place on or around Christmas Day.

Orders placed by **December 10, 2021** where **express shipping** is selected will arrive by Christmas Day. Orders placed after the cut-off aren't guaranteed to arrive in time for Christmas even with express shipping, though we will always try to fulfill and ship orders in time for the holidays.

Shipping fees

All customers are entitled to free shipping on orders over \$80 (after discounts and before taxes), so long as they're being shipped within Canada. Please note that unfortunately we cannot ship outside of Canada at this time.

Customers who place orders under the amount of \$80 will be charged a \$15 flat-rate shipping fee for delivery within Canada. Customers may also select express shipping at checkout (calculated based on the value of your order). Alternatively, those who wish to pick up in-person in Ottawa may select the "local pickup" option. There is no fee for local pickup.

Payment methods accepted

Customers who order through the website (rosettefairtrade.com) may use their credit card to pay for their purchase. This includes VISA, MasterCard and AmEx.

If you're unable to pay by credit card, please contact us to arrange alternate forms of payment. We will process your order manually and you will have the option to pay with cash (if picking up your order in person) or email money transfer (if you require shipping).

Returns, refunds & exchanges

All of our products are covered by a flexible refund & exchange policy. We will replace or refund any product that you're dissatisfied with the quality of. Please contact us within 30 days of purchase. We ask that you retain all packaging for the item and return it in like-new condition (or as close as possible, if the item was damaged in shipping).

If you receive damaged goods, please contact us so that we may offer you a refund or replace the product as soon as possible.
